

We're open and still serving our usual Coffee Pot favourites, but we're just having to do things a bit differently at the moment. We may need to adapt this as we go, and will share regular updates on Facebook and keep you updated on here too. This is new to us, so please bear with us whilst we find our feet.

We're currently providing a collection service for takeaway and a local delivery service. For takeaway, we are offering customers two options please see below. We have decided to stagger collections with pre booked timeslots to reduce the number of customers at our door at any one time, we will aim to provide a slot as close to your preferred time as possible. We kindly ask that you observe social distancing guidance and consideration to others when arriving to collect your order.
